PRESTIGIOUS TRAVEL AWARD BESTOWED UPON GINN RESORTS
*Orlando's Ginn Reunion Resort Awarded TripAdvisor's Coveted
Traveler's Choice Award*

REUNION, FLA. (February 2, 2007) -- Ginn Reunion Resort has been ranked as one of the Top 100 Luxury Hotels in the World by TripAdvisor's® 2006 Travelers' Choice™ awards.

Now in its fifth year, the TripAdvisor Travelers' Choice awards honor the world's best hotels, earning their distinction from those who know them best – real travelers. The TripAdvisor Travelers' Choice winners are uniquely “selected” by millions of travelers from around the world who provide their real and unbiased reviews or opinions about hotels on tripadvisor.com™ and across the Web.

Ginn Reunion Resort is ranked #47 of the world's top 100 luxury resorts and is the only Florida resort to be included in this exclusive list. Ginn Reunion Resort also earned a Top 5 ranking in TripAdvisor's Top 10 Luxury Resorts in the United States.

Ginn Reunion Resort is a world-class luxury destination located within minutes of Orlando's attractions. Situated on 2,300 rolling acres, the resort features three Signature golf courses designed by a “Great Triumvirate” of PGA players turned course visionaries – Palmer, Watson and Nicklaus. Additionally, the destination offers state-of-the-art meeting space, a multi-acre waterpark, a boutique spa, fine dining, an award-winning tennis facility and a multitude of childrens' programs.

In 2007, Ginn Reunion Resort will set itself apart from any other Florida destination with the opening of Reunion Grande, the new 11-story luxury hotel high-rise that serves as the centerpiece of the expansive resort community. Featuring 82 opulent one- and two-bedroom suites of up to 2,400 square feet, guests at the majestic high-rise will find a level of luxury unparalleled by any other resort in the region.

“The 2006 Travelers' Choice winners are once again singled out for their spectacular service and extraordinary value,” said Michele Perry, director of

communications for TripAdvisor. “Most hotel awards programs honor the most luxurious and opulent hotels, but because Travelers’ Choice awards are determined by millions of real travelers from around the world, the winners tend to be outstanding properties that are within reach for the average traveler.”

“This award has tremendous meaning for Ginn Reunion Resort,” said Peter Bonell, vice president of sales and marketing. “We are so proud that our own guests have chosen to award the resort for the high level of luxury and personalized service provided here.”
